

Special Showing Next Week

Coats and Suits

Our stocks being so large (in fact so much too large for our show-rooms) we have found it to our advantage to make special showings each week—to give up our show space entirely to certain lines. One week was Children's and Misses' Coats. Such was the response it proved to us that not only was it better for us but very agreeable for our customers. Next week it is Coats and Suits.

COATS

Coats receive our special attention next week. Styles never shown before await your inspection. The Belmore and Marchioness make their first appearance. They are the coats of points this season.

Every garment in the line is a special value. There's no cut price about it—no marking up to mark down—just our idea of a fair close profit on the right garments.

Price Range from \$5.98 to \$15.00
Others Up to \$32.50

SUITS

We have received some new styles of Wooltex Suits, and a splendid style exhibit now awaits you at this store. A new feature is the close fitting hip-length Coat, conforming to the figure perfectly. Also a new Norfolk style, with patch pockets and straps arranged to give long lines. Shown in fashionable plaids and checks, also plain cloths.

Seldom can we offer you a choice of Suits so tastefully fashioned and cleverly tailored and at such low prices as this week.

Price Range, from \$12.50 to \$30.00.

We shall have extra help in this department next week, yet in afternoons we shall be rushed. A call in the morning would work to our mutual advantage.

Form-Fitting Underwear

is the inevitable choice of the critical purchaser

"CARTER" and "quality" are synonymous words. "CARTER" goods wear longer than other kinds because they are made of better material by skilled operatives, on machines almost human in their wonderful precision. Yet they cost you no more than many inferior makes.

"CARTER" Union Suits do not roll up, bag, chafe nor sag at the seat, being reinforced at this point, and made with extra wide perfectly closing flap—exclusively a "CARTER" feature.

"CARTER" Union Suits are soft and pleasing to the skin, of permanently easy tension and great durability. They retain their original faultless shape until absolutely worn out. This perfection in fit and long durability represents thirty years of unceasing effort on the part of experts.

"CARTER" Underwear has reinforced seams, lock-stitching throughout, and is treated to prevent shrinking.

Made in union and two-piece suits for women and children; union suits for men. Also a complete line of shirts and bands for infants.

Refuse all substitutes. Look for the "CARTER" trade-mark. Ask any high-class dealer, or write us for booklet, samples and full information.

Protection From Autumn Rains!

One of the best all-round garments made is the "Cravenette," or Rain Coat. Any suitable fabric may be cravenetted, which is a chemical process making any cloth waterproof. This gives the wide range of attractive fabrics which are made into "Sincerity" Rain Coats. Men who pride themselves on the correctness of their attire consider this garment necessary for wear in rainy weather alone. But it serves the double purpose of being equally as good for cool, sunshiny days or a protection against rain. Our "Sincerity" Rain Coats range in price from \$10.00 to \$20.00. They are skeleton lined with inside tailoring to give them permanence of shape in the collars, shoulders and front.

"Sincerity" Suits and Overcoats!

We have a great line of these garments this season. We aim to constantly better our service and be "different," and as far as the claim of "best" is concerned we are willing that you make a comparison of values and prices.

"Sincerity" Suits From - - \$10.00 to \$22.00
"Sincerity" Overcoats From - - 10.00 to 25.00
Other Makes From - - 5.00 to 22.00
